Energy consumption	< 6 watts
Size (L*W*H)	130mm*110mm*90mm
Weight	200 g
Ozone output	60-300mg/h (adjustable)
Ambient noise	26dB SPL to 34 dB SPL
Recommended room size	30m2 maximum

Installation Instructions

1. Unpack the unit from its shipping carton and remove protective material from around the unit. Inspect the unit for any visible signs of physical damage. If damage is evident repack and contact the seller.

2. The unit can be placed anywhere in a room but is not recommended for use within 2 meters of beds or cots of in unventilated rooms.

WARNING:
Do not use outdoor and keep well away from damp or wet surfaces (kitchen worktops etc).

3. Plug the unit into a power socket; turn on the adjustable control switch. The blue trim will illuminate to show power has been applied. Rotate the dial to maximum and the fan will turn on and the purifier will run at maximum level. A small amount of blue light should be visible indicating the purifier is working.

4. An ozone odor will be present at the opening of the unit. The presence of ozone odor while the unit is runnning is normal and indicates the unit is operating properly. Let the unit run for at least 2 to 3 hours and the ozone smell will gradually move through the room.

5. Should the ozone odor ever become too strong turn the side knob towards the minimum setting. The unit is effective against most odors and airborne particles if operated for approximately 12 hours per day.

Maintenance

The O3 Leaf air purifier is almost maintenance free, once every month the air inlet and outlet should be vacuum cleaner. Disconnect the unit and using a necessary brush attached to a vacuum cleaner running on its lowest power setting, gently brush back and forth over the openings to help remove internal and external contamination. Do not apply the vacuum cleaner for more than 10 seconds at a time or blow air into the unit.

Periodically wipe the unit over with a damp cloth. Do not spray with cleaning products or allow moisture will damage the unit and this is not covered by the produce warranty.

Warranty

The O3 Leaf air purifier has a limited warranty to perform as specified purifier for home appliance for a period of 6 months from date of purchase. Due to manufacturer having no control over the environment or locations of use this warranty excludes misuse, accidental damage, physical abuse, water damage, lightning damage or power surges and/or the use of the product on power use of the produce on power system (such as solar/wind/battery inverters) that are used as alternatives to conventional mains-grid electricity.

If you require information about the product or in the unlikely event of failure, please contact us.
